COUNTY ENGINEER

First: The applicant represents all parties in interest and shall furnish material, do all work, pay all costs, and shall in a reasonable length of time restore the damaged portions of the highway to a condition similar or equal to that existing before the commencement of the described work, including any seeding or sodding necessary.

Second: The proposed work shall be located and constructed to the satisfaction of the County Engineer or his duly authorized representative. No revisions or additions shall be made to the proposed work on the right-of-way without the written permission of the County Engineer.

Third: The applicant shall at all times conduct the work in such a manner as to minimize hazards to vehicular and pedestrian traffic. In performing this work, the applicant shall provide a traffic control plan acceptable to the County Engineer. All signs, barricades, flagmen, etc., required for traffic control shall be furnished by the applicant. The work may be done on any day except Sunday, New Year's Day, Memorial Day, July 4th, Labor Day, Veteran's Day, Thanksgiving Day, and Christmas Day. Work shall be done only during daylight hours.

Fourth: The applicant, his successors or assigns, agree to hold harmless the County of Perry and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of this permit.

Fifth: The County reserves the right to make such changes, additions, repairs, and relocations within its statutory limits to the facilities constructed under this permit or their appurtenances on the right-of-way as may at any time be considered necessary to permit the relocation, reconstruction, widening, or maintaining of the highway and/or to provide proper protection to life and property on or adjacent to the County right-of-way. However, in the event this permit is granted to construct, locate, operate and maintain utility facilities on the County right-of-way, the applicant, upon written request by the County Engineer shall perform such alterations or change of location of the facilities, without expense to the County, and should the applicant fail to make satisfactory arrangements to comply with this request within a reasonable time, the County reserves the right to make such alterations or change of location or remove the work, and the applicant agrees to pay for the cost incurred.

Sixth: This permit is effective only insofar as the County has jurisdiction and does not presume to release the applicant from compliance with the provisions of any existing statutes or local regulations relating to the construction of such work.

Seventh: The work performed by the applicant is for the bonafide purpose expressed and not for the purpose of or result in parking or servicing vehicles on the highway right-of-way shall be prohibited.

Eighth: The applicant shall not trim, cut, or in any way disturb any trees or shrubbery along said highway without the approval of the County Engineer.

Ninth: The applicant(s) affirms that the property lines shown on the attached sheet are true and correct, and binds and obligates himself to perform the operation(s) in accordance with the description and attached sketch and to abide by the policy regulations.

Tenth: Applicant shall notify the County Engineer for inspection after tile has been placed and before backfilling is begun.
